

CATYC INNOVATION AWARD APPLICATION

What CATYC Seeks in Innovation Award Application

The CATYC Executive Committee is soliciting applications with innovative programs or practices which address:

- support for HLC Criteria
- institutional effectiveness
- improvements in student success or college processes

How Applications will be Reviewed and Selected

Proposals will be reviewed by members of the Executive Committee after April 15, 2024, using the following criteria:

- Issue(s) that led to the development of an innovative program, process, or activity (10 %)
- HLC Criteria addressed - Describe (10%)
- Program/process/activity timeline of development and implementation and people involved in the process (40%)
- Outcomes of implementation of the innovative program (data, charts, etc., suggested) (30%)
- Changes to program if given the opportunity to do it again or sharing with other interested colleges (10%)

Expectations for Innovation Award finalists/winner

Awardees must:

- Be from a CATYC member institution
- Register and attend the CATYC 2024 conference
- Agree that their innovative program description may be used in the CATYC Newsletter and posted on the CATYC website

Timeline

1. Email the application document in PDF by April 15, 2024 (Re: CATYC Innovation Award application) to: heidif@labette.edu
2. Innovation Award applicants will be judged by the Executive Committee based on the criteria listed above.
